

**YES ON 62 REQUIRES A STRICT LIFE SENTENCE – WHY KEEP PAYING FOR A
COSTLY, FAILED DEATH PENALTY SYSTEM?**

Prop 62 locks up the worst murderers for life and ends the huge cost of death row. These murderers will never be paroled or set free. They will have to work and pay restitution to the families of their victims.

Most of those sentenced to death already end up spending life in prison because 99% of death sentences are never carried out. Yet it costs 18 times more to house them on death row and pay for their attorneys than a strict life sentence without parole.

YES ON 62 SAVES \$150 MILLION A YEAR

The state's nonpartisan fiscal advisor – the Legislative Analyst – confirms Prop 62 will save taxpayers \$150 million every year. Read the analysis for yourself in this Voter Guide.

38 YEARS OF FAILURE

Opponents of Prop 62 admit the death penalty system is broken. In fact, the death penalty advocates who created this system now admit it has failed, despite many attempts to fix it. Since 1978, taxpayers have spent \$5 billion on the death penalty, yet over the last ten years there hasn't been a single execution.

The long and costly appeals process is mandated by the Constitution so an innocent person isn't wrongly executed. It can't be changed. Vote YES on Prop 62 to save hundreds of millions of dollars and keep vicious killers locked up, working and paying restitution to the families of their victims.
